FOLKS Minutes
September 17, 2018

Members Present: Jim Moes, Steve Thiry, Tamara Talsma, Barbara Fleming, Kathy Quevillon, Peggy Vaubel, Aimee Recla

Call to Order: 6:05pm

Secretary's Report: Moes moved to accept; Thiry seconded. Passed

Treasurer's Report: \$17421 in Treasury. Unanimous approval.

Needs of the Library:

FOLKS authorized payment in April for adult programming.

- Thiry discussed the Village Joint Agreement concerning the library. This is being evaluated at the present time with a decision coming in February. There is no reason this will impact FOLKS. It is important that we show the importance of the library to the trustees and general public. Suggestion to have Facebook page asking for comments as to "why I like the library". Thiry stated that statistics show 80% of people support library but they don't talk about it.

- Number of classes suggested. Childrens' and adult program librarians should be contacted with ideas for classes and instructors. Keep in mind boys/men as new programs are created.
