Discussion:

- Christmas party was a great success. It was suggested that when we do this again, we be someplace where we could all sit at the same table. Tanner's employees were very helpful and the food was great but we were not together. Maybe we should try Rose Hill Bar.
- Moes mentioned that he reminds people programs are not paid for by taxpayer money but by FOLKS donations.
- Library focusing on intergenerational programming. Drive for inclusivity, keeping in mind diversity.
- Library considering using volunteers for summer reading programs
